Our Sunday School is collecting items for Operation Christmas Child!

Memorize the Books of the Bible!!

From September through December, we will be working on memorizing the Old Testament in Sunday School. From January to May, we will attempt to memorize the New Testament. I would like to encourage parents to have your children work on this at home as well. It is an important, life-long skill! There will be a treat for those that are able to recite either one or both of the Testaments. See Ms. Lauren anytime during the week, before or after Sunday School, or even by phone when you think you are ready to recite the books! If you still have your music CD from last fall, you can find songs for helping kids remember the names or you can find many resources online. Have fun with this!
